Gift cards are non-refundable at any time.
6. No passenger may do anything without the pilots' consent that may jeopardize the safety of the aircraft, the safety of passengers, or impede in the pilots' performance of safely flying the aircraft. 8. Seat belts are to be worn at all times by each passenger in their respective seat. This includes standard seatbelts. Due to the aircraft size, we do not have extenders.
9. Aircraft doors and controls must not be touched by anyone other than FlyGTA personnel unless there is an emergency. This will result in the termination of the flight and can result in criminal charges and/or fines.
10. Passengers must be able to climb and descend stairs unassisted. Due to the size of the aircraft we unfortunately cannot accommodate wheel chairs or bicycles on board the aircraft.
11. Aircraft weight and balance must be strictly adhered to, to ensure safety of the flight. If the passenger load and fuel required exceed any limits, FlyGTA reserves the right to cancel the flight. For this reason, weights of passengers and baggage, if any, are required for flight safety reasons. 'Checked' baggage must not exceed 50 lbs and 'carry on' baggage must not exceed 20 lbs. FlyGTA crew may be asked for baggage to be weighed to ensure limitations are not exceeded.
